

CONCEALED CEILING UNITS FLEXIBLE YET DISCREET COMFORT

SEASONAL EFFICIENCY CONCEALED CEILING UNITS

The new Daikin Sky Air concealed ceiling units are already optimised for the seasonal efficiency standard and save energy under all conditions. Concealed ceiling units blend in with any interior. They are almost invisible and whisper quiet. You hardly see or hear them. With Daikin Sky Air your guests discreetly experience ultimate comfort in shops, restaurants and offices. **Find out more on www.daikin.eu**
